SECTION 3. Reservation of Rights to Offer Dedication and Easements

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

SECTION 1. Membership.

Each person or entity who is a record Owner of a fee or undivided fee simple interest in any Lot or Living Unit shall automatically be a Member of the Association, provided that any such person or entity who holds such interest merely as a security for the payment of money or performance of an obligation shall not be a Member. When more than one person holds such interest or interests, in any Lot or Living Unit, all such persons shall be Members, but for quorum, voting, consenting and all other rights of Membership, such person shall collectively be counted as a single Member, and entitled to one vote for each such Lot or Living Unit, which vote for such Lot or Living Unit shall be exercised as they among themselves may agree. Each such Member shall be jointly and severally liable for the payment of the assessments hereinafter provided with respect to such Lot or Living Unit.

From and after the happening of said event, the Class B Member shall be deemed to be a Class A Member and entitled to one vote for each Lot or Living Unit owned by it.

SECTION 3. Articles and Regulations of the Association.

The Articles of Incorporation and Regulations of the Association may contain any provisions not in conflict with the Declaration as are permitted to be set forth in such Articles, Bylaws and Regulations by the not-for-profit corporation law of the State of Ohio as it may be in effect from time.

ARTICLE IV

MATTERS AFFECTING TITLE AND
RESERVED EASEMENTS UPON THE PROPERTIES

SECTION 1. Open Space Blocks.

Open Space Block A-1 containing the Community Building and retention facilities, and Open Space Block A-2 will be deeded to GreenTree Homeowners' Association at such time as the Developer has completed initial improvements thereon and these Blocks will be maintained by the Association. The Developer hereby reserves the right to enter into a lease with the Association for the use of the Community Building as a sales and marketing center for GreenTree and shall pay rent to the Association in an amount sufficient to cover the cost of operation and maintenance of the Community Building.

SECTION 2. Public Utility Easements.

The Developer and the Grantor do hereby reserve and are hereby granted easements across all Blocks and Lots for the installation, use and maintenance of all roadways and utilities as Developer may determine, including, but not limited to, electrical, gas, T.V. cable, sewer and/or water service lines. The Association, upon the request of the Developer or the Grantor shall execute plats and easement agreements in recordable form evidencing any such easements. Neither the Developer nor the Grantor are hereby assuming any obligation to maintain, repair or replace such easement areas.

The Developer and Grantor hereby acknowledge the presence of an Oil and Gas lease to POI Energy, Inc., covering the Existing Property, relating to underground mineral rights only. No surface construction, right of entry or drilling activity is permitted on the Existing Property.

SECTION 4. Landscaping and Signage

The Developer and Grantor do hereby reserve an easement 15' in width parallel to both sides of the Right of Way for GreenTree Parkway for landscape treatment, mounding and signage. Said easement shall exist for the benefit of, and is hereby assigned to the Association.

ARTICLE V

COVENANT FOR
ASSOCIATION ASSESSMENTS

SECTION 1. Obligation for Annual Association Assessments or
Special Association Assessments.

Each Owner shall pay his proportionate share of Annual Association Assessments and any Special Association Assessments and other Charges levied against a Lot or Living Unit owned by him in the manner and at such times as provided herein, and no Owner shall exempt himself from the liability therefor by waiver of the use or the enjoyment of any of the Common Properties or by abandonment of his Lot or Living Unit.

The purposes of the Association Assessments are as follows:

(a) An Annual Association Assessment for the administration of the Association, its continued operation, maintenance and repair of the Common Properties, the landscaping, mounding and signage within the easement area along Greentree Parkway, the weekly collection of trash, and for the Association's performance of its other functions and responsibilities; and

(b) Special Association Assessments for improvements or other capital expenditures, for emergency, operating, maintenance or repair costs, and for other costs and expenses not anticipated in determining the applicable Annual Association Assessment.

Each Association Assessment shall be in the same amount for each Lot or Living Unit. Each Lot or Living Unit shall be subject to a lien in favor of the Association securing any and all unpaid Annual Association Assessments and Special Association Assessments. All Annual Association Assessments and Special Association Assessments, together with interest thereon as herein provided, shall be a charge upon such Lot or Living Unit and if not paid within thirty (30) days after their due date, the Association shall have a lien in the amount of any Annual Association Assessment or Special Association Assessment, interest thereon and the cost of collection, upon the Lot or Living Unit. Each such Annual Association Assessment or Special Association

Assessment, together with interest thereon and the cost of collection thereof, as hereafter provided, shall also be the personal obligation of any person who was the Owner of such property at the time when any Annual Association Assessment or Special Association Assessment fell due and payable.

SECTION 2. Annual Association Assessments.

The Annual Association Assessment shall be levied by the Trustees of the Association prior to the date of the annual meeting of the Members, in such amounts as the Trustees in their sole discretion shall deem reasonably necessary to meet expenses anticipated during the ensuing year and necessary for the creation of reasonable reserves for anticipated future operating or capital expenditures. At the annual meeting of the Members, the amount of the Annual Association Assessment as levied by the Trustees may be increased or decreased by the affirmative vote of Members entitled to exercise a majority of the voting power of the Association. In no event, however, shall the Annual Association Assessment for years beginning prior to January 1, 1995, exceed One Hundred and Eighty (\$180.00) per Lot or Living Unit.

The Developer shall have the obligation to pay any Annual Association Assessment upon any Lot or Living Unit owned by the Developer or Grantor; however, the Developer will not pay that portion of the Annual Association Assessment that covers trash collection for unoccupied Lots or Living Units owned by the Grantor or the Developer.

SECTION 3. Special Association Assessments.

Special Association Assessments may be levied by the Association from time to time at a meeting of the Members by the affirmative vote of Members entitled to exercise a majority of the voting power of the Association and, if there be more than one class of Membership, then by the affirmative vote of Members entitled to exercise a majority of the voting power of each class of Membership; provided however, that written notice shall be given to each Member at least thirty (30) days in advance of the date of such meeting stating that a Special Association Assessment will be considered, discussed and acted upon at such meeting. Special Association Assessments may, if so stated in the Resolution authorizing such Special Association Assessment, be payable in installments over a period of months or years.

The Developer shall have the obligation to pay any Special Association Assessment upon any Lot or Living Unit owned by the Developer or Grantor.

SECTION 4. Due Dates of Association Assessments; Defaults.

The due date of the Annual Association Assessment shall be January 1 in each year, payable in monthly installments. The due date of any Special Association

Assessment shall be fixed in the Resolution of the Members authorizing such Special Association Assessment, and written notice of such Special Association Assessment shall be given to each Owner subject thereto at least sixty (60) days in advance of such due date. Once a Special Association Assessment is authorized and notice is given, there shall be no requirement for additional notice prior to any installment which may be due.

SECTION 5. Association Assessment Liens; Costs of Enforcement.

If an Annual Association Assessment or Special Association Assessment, or installment of an Annual Association Assessment or Special Association Assessment, is not paid within thirty (30) days after same has become due and payable, the Association may file a lien against the Lot or Living Unit which shall be prior to all other liens subsequently arising or created, except:

- (i) Real estate taxes and assessment liens of record; and
- (ii) First mortgage liens of record.

Such lien may be foreclosed in the same manner as a mortgage on the Lot or Living Unit on behalf of all the Lot Owners and Living Unit Owners by the President of the Association, pursuant to the authorization of the Trustees of the Association. During the pendency of any such foreclosure, the Lot Owner or Living Unit Owner shall be required to pay a reasonable rental for the Lot or Living Unit and the Trustees of the Association shall be entitled to appoint a receiver to collect the same. The Trustees, acting on behalf of the Owners of all Lots and Living Units, shall have the power to bid on the Lot or Living Unit at the foreclosure, and to acquire, hold, mortgage, and convey the same. Suit to recover a money judgment for unpaid Annual Association Assessments or Special Association Assessments may also be maintained without foreclosure or waiving the lien securing the payment of such Assessments.

A Lot Owner or Living Unit Owner (whether by his or her conduct or the conduct of any occupant) violating any provision in this Declaration or any rule adopted hereunder, shall pay to the Association, in addition to any other sums due, all costs and expenses incurred by the Association in connection with the enforcement of said provisions or rules, or collection of any delinquent account, including attorney's fees, recording costs, court costs, title reports or any similar type of cost.

(b) The Owner of each Lot and the Board of Managers of any Condominium Domain shall mow or cause to be mowed all lawn areas to a height not exceeding four (4) inches. Decorative landscaping, ground cover and garden plants shall be maintained monthly.

(c) No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points fifteen (15) feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitation shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway. No tree shall be permitted to remain within such distances of such intersection unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

(d) No Owner or Condominium Domain shall in any way hinder or obstruct the operation and flow of the drainage system. No structures (including but not limited to sidewalks and driveways), plantings or other materials shall be placed or permitted to remain within such drainage areas which may damage or interfere with the installation and/or maintenance of such improvements in such drainage areas or which may change, retard, or increase the flow of water through the respective drainage areas. In the event an Owner or Condominium Domain does so hinder or obstruct the operation or flow of

the drainage system, the Trustees, after 30 days notice to the Owner or Board of Managers of a Condominium Domain, may remove and are hereby granted a license to remove any hindrance or obstruction and the cost of removal shall be a charge against the Owner or Condominium Domain and a lien upon such Lot or Condominium Domain. The Trustees shall not have any obligation to restore any landscaping disturbed or removed.

SECTION 14. Exterior Maintenance.

The Owner of a home on a single-family Lot or the Board of Managers of Condominium Domain shall provide reasonable exterior maintenance upon each Lot, home, structure erected on a Lot or buildings containing Living Units as follows: paint, repair, replace and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, drains, catch basins, sewers, traps, driveways, walks and all other exterior improvements.

SECTION 15. Breach of Covenants and Restrictions - Condominium Domains.

When the breach of any protective covenant occurs within a Condominium Domain, the Condominium Association, through its Board of Managers, shall have the primary responsibility for correcting the breach. If, however, the Condominium Association fails to correct the breach or take appropriate timely action toward correction of the breach, the Association, through its Trustees, may pursue correction of the breach by action against the individual Owner of the Living Unit or the Condominium Association, or both.

SECTION 16. Breach of Covenants and Restrictions - Remedy.

If the Trustees, after giving reasonable notice to the Owner of a Lot or a Living Unit or the Board of Managers of a Condominium Domain, and providing for reasonable opportunity for such Owner or Board of Managers to be heard, determine by the affirmative vote of three-fourths (3/4) of the authorized number of Trustees that a breach of any protective Covenant or Restriction has occurred and that it is necessary in order to prevent material deterioration of neighborhood property values that the Association correct such breach, then, after giving such Owner or Board of Managers notice of such determination by certified mail, the Association, through its duly authorized agents or employees, may enter upon the Lot involved and correct such breach of covenant by reasonable means. The cost of such correction of a breach of covenant shall be assessed against the Lot, Living Unit or Condominium Domain upon which such corrective work is done, and shall become a lien upon such Lot, Living Unit or Condominium Domain and the obligation of the Owner or Board of Managers thereof, and immediately due and payable, all as provided in Article V hereof.

VOL 1136 PAGE 283

Any Owner of a Lot, Living Unit or Board of Managers of a Condominium Domain affected by such a determination of the Trustees to correct a breach of any Covenant or Restriction pursuant to this Section may, within ten (10) days after the date of the mailing of the certified mail notice of such determination, appeal such determination to the Members by sending a Notice of Appeal to the President or Secretary of the Association by registered or certified mail at the address of such officer as it appears on the records of the Association at the time of such mailing. No action shall be taken or authorized by the Association pursuant to any such determination until after ten (10) days have elapsed from the date the certified mail notice to the Owner or Board of Managers involved was received.

If a Notice of Appeal has not been received by the President or Secretary (or other officer in the absence of the President or Secretary) within such ten (10) day period, then the Association may take or authorize the taking of action pursuant to such determination; but if within such period such Notice of Appeal has been received, or if after such period but before the taking of such action a Notice of Appeal is received which has been mailed within such ten (10) day period, then no action shall be taken pursuant to such determination until such determination has been confirmed at a meeting of the Members by the affirmative vote of Members entitled to exercise a majority of the voting power of the Association. If there is more than one class of membership, then action shall be authorized by the affirmative vote of Members entitled to exercise a majority of the voting power of each class of membership, provided that written notice shall be given to all members at least thirty (30) days in advance of the date of such meeting, stating that such determination and Notice of Appeal will be considered and voted upon at such meeting.

In the event that a majority of the voting power of the Members of the Association, or a majority of any one class of membership if there is more than one class, does not attend the meeting, the affirmative vote of 3/4 of those Members in attendance shall govern.

SECTION 17. Additional Remedies for Breach of Covenants and Restrictions.

In addition, for each day of any violation of any of the Covenants or Restrictions after the expiration of the ten (10) days written notice to the Owner or Board of Managers of such alleged violation, there shall be due and payable by the Owner or Board of Managers a fine of \$50, and such fine shall be subject to collection and secured in the same manner as assessments not paid by the Owner under Article V, Section 4 hereof.

Each Owner of a Lot, Living Unit and each Condominium Domain shall comply with the provisions of this Declaration, and the decisions and resolutions of the Association, as they may be lawfully amended from time to time. Failure to comply with such provision, decision or resolution shall be grounds for an action for damages or for

VOL 1136 PAGE 284

injunctive relief, or both, brought by the Association, by a Lot or Living Unit Owner or the Board of Managers of a Condominium Domain.

ARTICLE VIII

INSURANCE

SECTION 1. Trustee Authorization.

The Association's Board of Trustees, or its duly authorized agent, shall have the authority to and shall obtain insurance for all insurable improvements on the Common Properties. This insurance shall cover loss or damage by fire or other hazards, including extended coverage, vandalism, and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Trustees may purchase "all-risk" coverage in like amounts.

The Trustees shall obtain a public liability policy applicable to the Common Properties covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and directors' and officers' liability insurance for the Trustees. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Premiums for all insurance shall be an Association Expense. All such insurance coverage obtained by the Trustees shall be written in the name of the Association, as trustee, for the benefit of the Lot and Living Unit Owners.

SECTION 2. Insurance Provisions.

(a) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Trustees of the Association; provided, however, no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(b) In no event shall the insurance coverage obtained and maintained by the Trustees of the Association hereunder be brought into contribution with insurance purchased by individual Lot and Living Unit Owners or Condominium Domains, their occupants, or their mortgagees, and the insurance carried by the Association shall be primary.

(c) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually by the Trustees and one or more qualified persons.

(d) The Trustees of the Association shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association and its Trustees and its manager, any Condominium Domain and its Board of Managers and its manager, the Owners and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(iii) that no policy may be canceled, invalidated, or suspended on account of the actions of any one or more individual Owners;

(iv) that no policy may be canceled, invalidated, or suspended on account of any defect in the conduct of any Trustee, officer, or employee of the Association or any Condominium Domain or their duly authorized managers without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association or any Condominium Domain, its Trustees, Board of Managers, managers, any Owner or mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies and the policies of any Condominium Domain from consideration; and

(vi) that no policy may be canceled or substantially modified without at least ten (10) days' prior written notice to the Association.

ARTICLE IX

BOARD OF TRUSTEES

SECTION 1. Membership.

The Board of Trustees shall be made up of one (1) representative from each Condominium Association (the President of the Association or his/her designee from the Board); one (1) representative for each fifty (50) single-family Lots, or portion thereof to be elected at large by Lot Owners; and three (3) at-large representatives to be elected by all Members. The officers of the Association shall be a President, Vice President, Secretary and Treasurer. The President shall be elected by the Board of Trustees from among the at-large representatives of all Members. The Vice President, Secretary and Treasurer shall be elected by the Board of Trustees from among the Trustees.

In addition to administering the Association and attending to the maintenance of the Common Properties, the landscape easements that have been established on both sides of the Right-of-Way for Greentree Parkway, and any other easements, property rights and any other rights or duties hereby or subsequently granted or assumed by the Association, the Trustees may adopt By-Laws governing the actions of the Trustees, officers, and the Members of the Association. Additionally, The Trustees of the Association shall fix the date of commencement and the amount of assessment against each Lot and Living Unit as provided in Article V, Section 2 herein.

ARTICLE X
