All of the following apply to the insurance coverage required under this section:

(1) Coverage shall be for the maximum amount of funds that will be in the custody of the association or its designated agent at any one time plus three months of operating expenses.

(2) The insurance shall be the property of and for the sole benefit of the association and shall protect against theft, embezzlement, misappropriation, or any other unauthorized taking or loss of association funds.

(3) The policy shall include in its definition of "employee" the manager and the managing agent of the association's funds or provide for this inclusion by an endorsement to the policy.

(4) The policy shall name the association as the insured party and shall include a provision requiring the issuer of the policy to provide a ten-day written notice to the association's president or manager in the event of cancellation or substantial modification of the policy. The manager or managing agent, if any, of the association shall be the designated agent on the policy.

Any challenge to the validity of this amendment must be brought in the court of common pleas within one year of the recording of this amendment.
